

HOW TO CARVE A JACK-O'-LANTERN

WHAT YOU NEED:

- Pumpkin
- 1 Medium Serving Spoon
- 1 Medium Knife
- 1 Small Knife
- Newspaper
- Medium bowl
- 1 Dry Erase Marker
- 1 Candle
- 1 lighter

ACTIVITY

1. *PREPARING FOR CARVING:*

cover your working surface with the newspaper

2. CUTTING OUT THE STEM:

cut a hole around the stem big enough for your hand to fit through

3. SCOOPING OUT THE PUMPKIN:

using the medium serving spoon, scoop out the seeds and pulp and put it in the bowl

4. SKETCHING THE FACE:

with a marker pen, draw a simple outline of a face on the pumpkin

5. *CARVING THE PUMPKIN:*

using the small knife, cut at a perpendicular angle along chosen design. Remove loose pieces of the pumpkin and discard them in to the medium bowl.

6. LIGHTING THE PUMPKIN:

light the candle with the lighter and place inside the Jack-o'-lantern. Put the stem back on.

7. *DISPLAYING THE JACK-O'-LANTERN:* place the pumpkin where desired.
